Goverment Higher Secondary School,perambalur,-83%

Secondary School Leaving Certificate
2018-2019

Goverment High School ,Elumur,perambalur-78.8%

PROJECTS

Online Voting System

An online voting system allows users to cast votes electronically, often through a secure website or app. It ensures voter authentication, maintains ballot privacy, and accurately records results. Such systems streamline the voting process, making it faster and more accessible. Security features like encryption and two-factor authentication are typically implemented to prevent fraud.
